

JANUARY

Pepin Elementary News

Theme: Responsibility

Declutter your space and your mind! **January is Get Organized Month!** Set goals for the year, make a to-do list, help out more around the house. Start the new year with new goals and steps to achieving them. Show you are responsible by lending a helping hand or donating those extra toys to charity.

Food Adventures in a Bag: The Family Resource Council, along with Pepin County 4-H after school program is sponsoring a program called, Food Adventures in a Bag. We will meet twice and make two different snacks together. Be sure to sign up if this is of interest to you before December 28. Zoom link can be found on the district website. We hope to see you on the Zoom!

Kids Heart Challenge: The Kids Heart Challenge is a fun and exciting event where students learn about their heart while helping others by raising money for the American Heart Association. Mrs. Carroll will be holding our challenge on Friday, January 22 during Phy-Ed classes. More information to come.

A Message From Mrs. Riesgraf- Welcome back to a new year! We hope your family has had a chance to relax and enjoy some time together on our nice, long break. We have been fortunate to have such a moderate start to winter. When the weather does take a turn to snow and colder temperatures, it would be helpful to make sure your child will be comfortable at their recess time. Please make sure they have boots, snow pants, a warm coat, hat and gloves.

Dates to Remember:

January 22: Kids Heart Challenge

January 25: In-service, no school for students
