Parent Teacher Conferences: November 5,6

Our students have been working hard for their teachers in the classroom. It has been exciting for our teachers to witness their growth and assist them with new goals to move forward. We are in the process of setting up your Parent-Teacher Conference via Zoom or phone. Angie Schultz will contact you with the details. Please watch our district website for details.

Cooler weather is here! The time is here to pull out the winter wear. Classes go outside for recess as much as possible and when students are dressed appropriately it is much more enjoyable. We suggest having mittens/gloves, a hat, a warm jacket, snow pants and boots. If your child forgets something or is in need, not to worry, we do have a limited amount of items to lend out. If it is a hardship to acquire any items for winter weather, please notify Mrs. Riesgraf.

A Message from Mrs. Riesgraf...The fall air is crisp, the leaves are falling off the trees and we've even had some snow. Our students are nearly through their first trimester of school. We could not be more please with how our school year has begun. COVID-19 has brought about many changes in the way we do business. Some of these changes have been difficult and have required a great deal of flexibility from all involved. I would like to give a huge shout out to the teachers and students of Pepin Elementary for the way in which they have navigated them.
